

PERSONAL INFORMATION

Name and surname	Dario Hrupec
Academic title	assistant professor (since January 27, 2016)
Address	Josip Juraj Strossmayer University of Osijek, Trg Ljudevita Gaja 6, 31000 Osijek, Croatia
Telephone	+385 91 2241034
Fax	+385 31 232701
Mobile phone	+385 95 5323214
E-mail	dario.hrupec@fizika.unios.hr
Web address	https://dariohrupec.org/
Citizenship	
Date and place of birth	June 22, 1970, Koprivnica, Croatia

WORK EXPERIENCE

Dates (from - to)	April 1, 2016 – today
	Josip Juraj Strossmayer University of Osijek
Position held	assistant professor
Field	physics
	October 16, 2003 – March 31, 2016
	Ruđer Bošković Institute, Zagreb
Position held	senior research assistant
Field	physics
	February 28, 1998 – October 15, 2003
Name of employer	Faculty of Electrical Engineering and Computing, University of Zagreb
Position held	teaching assistant
Field	physics

EDUCATION

5	F.L 44 .0000
Date	February 11, 2008
Place of education	
Organisation providing education	Faculty of Science, University of Zagreb
Title awarded	PhD in Physics
Date	January 15, 2002
Place of education	Zagreb, Croatia
Organisation providing education	Faculty of Science, University of Zagreb
Title awarded	MSc in Physics
Date	April 11, 1997
Place of education	Zagreb, Croatia
Organisation providing education	Faculty of Science, University of Zagreb
Title awarded	BSc in Physics

SCIENTIFIC PROJECTS

	Very High Energy Gamma Ray Astronomy with MAGIC and CTA
Role in the project	HRZZ-IP-06-2016-9782, Nikola Godinović
Project ID	collaborator
Project type	Croatian Science Foundation
Duration	July 15, 2017 – June 16, 2022
Project title	Pulse laser calibration of Cherenkov telescopes from an airship
Project ID and coordinator	coordinator
	UNIOS-ZUP 2018-116
Project type	Josip Juraj Strossmayer University of Osijek
Duration	November 19, 2018 – December 31, 2020

Project title	Optimizing the Cherenkov Telescope Array for efficient observations of Active Galactic Nuclei
	Dijana Dominis Prester
Role in the project	
	DAAD and Ministry of Science and Education
Duration	January 1, 2017 – December 31, 2018
Duois at titla	Van I link Frager Commo Boy Astronomy with the MACIC telegoops
Project title	Very High Energy Gamma Ray Astronomy with the MAGIC telescope HrZZ 09/176, Nikola Godinović
Role in the project	
	Croatian Science Foundation
	July 1, 2012 – December 31, 2015
Duration	out 1; 2012 Becomber 01; 2010
Project title	Evaluation of possible sites and MC studies for a future long term monitoring Cherenkov y-ray observatory in Croatia
Role in the project	coordinator
Project type	DAAD and Ministry of Science, Education and Sports
Duration	January 1, 2010 – December 31, 2011
	Photon-atom interaction and correlations
	098-0982931-2875, Tihomir Surić
Role in the project	Ministry of Science, Education and Sports
Duraulon	January 2, 2007 – December 31, 2011
Proiect title	Study of high energy cosmic gamma rays at the CROATEA observatory
Project ID and coordinator	
Role in the project	collaborator
Project type	Ministry of Science, Education and Sports
Duration	2003 – 2005
But and	
Project ID and coordinator	Classical and quantum field theory 0036038, Dubravko Horvat
Role in the project	
	Ministry of Science, Education and Sports
	2001 – 2003
OTHER PROJECTS	
Project title	Development of physics studies with the application of the Croatian Qualifications Framework – FizKO
Project title Role in the project	Development of physics studies with the application of the Croatian Qualifications Framework – FizKO collaborator
Project title Role in the project Project type	Development of physics studies with the application of the Croatian Qualifications Framework – FizKO collaborator UNIRI i ESF
Project title Role in the project Project type	Development of physics studies with the application of the Croatian Qualifications Framework – FizKO collaborator
Project title Role in the project Project type Duration	Development of physics studies with the application of the Croatian Qualifications Framework – FizKO collaborator UNIRI i ESF March 2, 2019 – March 22, 2012
Project title Role in the project Project type Duration Project title	Development of physics studies with the application of the Croatian Qualifications Framework – FizKO collaborator UNIRI i ESF March 2, 2019 – March 22, 2012 Formulation, selection and coordination of Croatian terminology in physics
Project title Role in the project Project type Duration Project title Role in the project	Development of physics studies with the application of the Croatian Qualifications Framework – FizKO collaborator UNIRI i ESF March 2, 2019 – March 22, 2012 Formulation, selection and coordination of Croatian terminology in physics collaborator and editor
Project title Role in the project Project type Duration Project title Role in the project Project type	Development of physics studies with the application of the Croatian Qualifications Framework – FizKO collaborator UNIRI i ESF March 2, 2019 – March 22, 2012 Formulation, selection and coordination of Croatian terminology in physics collaborator and editor Croatian Science Foundation and Institute of Croatian Language and Linguistics
Project title Role in the project Project type Duration Project title Role in the project Project type	Development of physics studies with the application of the Croatian Qualifications Framework – FizKO collaborator UNIRI i ESF March 2, 2019 – March 22, 2012 Formulation, selection and coordination of Croatian terminology in physics collaborator and editor
Project title Role in the project Project type Duration Project title Role in the project Project type Duration	Development of physics studies with the application of the Croatian Qualifications Framework – FizKO collaborator UNIRI i ESF March 2, 2019 – March 22, 2012 Formulation, selection and coordination of Croatian terminology in physics collaborator and editor Croatian Science Foundation and Institute of Croatian Language and Linguistics

TEACHING | Science in Everyday Life, University of Osijek, 2021 – 2022 Linux for Physicists, University of Osijek, 2021 - 2022

Introduction to Astroparticle Physics, University of Osijek, 2021 - 2022

Introduction to Astronomy and Astrophysics, University of Osijek, 2018 - 2022

Special and General Relativity, Department of Physics, University of Osijek, 2016 - 2022

Computational Physics, Department of Physics, University of Osijek, 2016 - 2022

Physics, Faculty of Civil Engineering, University of Osijek, 2016 - 2022 Selected topics in physics, Department of Physics, University of Osijek, 2016 – 2020

Electrodynamics 1, Department of Physics, University of Osijek, 2016 – 2017

Computing Laboratory, Faculty of Science, University of Zagreb, 2008 – 2015

General physics, Faculty of Electrical Engineering and Computing, University of Zagreb, 1998 – 2007

MEMBERSHIPS | The MAGIC collaboration The CTA collaboration

Croatian Astronomical Society

COMMITTEES, BOARDS AND Editorial board of Priroda magazine, 2011 – 2020, member; 2017 – 2018 chief editor WORK GROUPS | State committee for the astronomy competition, 2010 – 2017, member; 2014 – 2016, president Expert group for the construction of the national curriculum for the Science, 2015 – 2016, member

PERSONAL SKILLS AND **COMPETENCIES**

Language English

Speaking proficient (C2)

Writing proficient (C2)

Listening and reading proficient (C2)

COMPUTER SKILLS | Python; Linux shell scripts; CERN Root; CORSIKA; MODTRAN; LaTeX; web design; web applications

FIELDS OF INTEREST | Astroparticle Physics, High Energy Gamma-Ray Astronomy, Cherenkov Telescopes

PUBLICATIONS | number of scientific papers (InSPIRE): 150

number of citations (InSPIRE): 9378

h-index (InSPIRE): 46
