Citizenship	Croatian
Date and place of birth	June 22, 1970, Koprivnica, Croatia

WORK EXPERIENCE

	April 1, 2016 – today
	Josip Juraj Strossmayer University of Osijek
Position held	assistant professor
Field	physics
Dates (from – to)	October 16, 2003 – March 31, 2016
Name of employer	Ruđer Bošković Institute, Zagreb
Position held	senior research assistant
Field	physics
	February 28, 1998 – October 15, 2003
Name of employer	Faculty of Electrical Engineering and Computing, University of Zagreb
Position held	teaching assistant
Field	physics

EDUCATION

Date	February 11, 2008
Place of education	Zagreb, Croatia
Organisation providing education	Faculty of Science, University of Zagreb
Title awarded	PhD in Physics
	January 15, 2002
Place of education	Zagreb, Croatia
	Faculty of Science, University of Zagreb
Title awarded	MSc in Physics
Date	April 11, 1997
Place of education	
Organisation providing education	Faculty of Science, University of Zagreb
Title awarded	BSc in Physics

SCIENTIFIC PROJECTS

Project title	Very High Energy Gamma Ray Astronomy with MAGIC and CTA
Role in the project	HRZZ-IP-06-2016-9782, Nikola Godinović
Project ID	collaborator
Project type	Croatian Science Foundation
Duration	July 15, 2017 – June 16, 2022
Project title	Pulse laser calibration of Cherenkov telescopes from an airship
Project ID and coordinator	coordinator
	UNIOS-ZUP 2018-116
Project type	Josip Juraj Strossmayer University of Osijek
Duration	November 19, 2018 – December 31, 2020

	Optimizing the Cherenkov Telescope Array for efficient observations of Active Galactic Nuclei
	Dijana Dominis Prester
Role in the project	
	DAAD and Ministry of Science and Education January 1, 2017 – December 31, 2018
Durauon	
Project title	Very High Energy Gamma Ray Astronomy with the MAGIC telescope
	HrZZ 09/176, Nikola Godinović
Role in the project	collaborator
	Croatian Science Foundation
Duration	July 1, 2012 – December 31, 2015
Due is statistic	Evolution of acceptible sites and MO at disc for a fature lange term and taking Observations and the second second
	Evaluation of possible sites and MC studies for a future long term monitoring Cherenkov y-ray observatory in Croatia
Role in the project	DAAD and Ministry of Science, Education and Sports
Duration	January 1, 2010 – December 31, 2011
Bulation	
	Photon-atom interaction and correlations
Project ID and coordinator	098-0982931-2875, Tihomir Surić
Role in the project	
	Ministry of Science, Education and Sports
Duration	January 2, 2007 – December 31, 2011
Project title	Study of high energy cosmic gamma rays at the CROATEA observatory
Project ID and coordinator	
Role in the project	
	Ministry of Science, Education and Sports
Duration	2003 – 2005
	Classical and quantum field theory
Project ID and coordinator	0036038, Dubravko Horvat
Role in the project	
	Ministry of Science, Education and Sports 2001 – 2003
Durauon	2001 - 2003
OTHER PROJECTS	
Project title	Development of physics studies with the application of the Croatian Qualifications Framework – FizKO
Role in the project	
	UNIRI i ESF
Duration	March 2, 2019 – March 22, 2012
Project title	Formulation, selection and coordination of Croatian terminology in physics
Role in the projec	collaborator and editor
Project type	Croatian Science Foundation and Institute of Croatian Language and Linguistics
	September 1, 2010 – November 30, 2011
